

Strengthening
the multicultural civil society

JÄRJESTÖHAUTOMO

We provide free of charge support and advisory services to civil society actors in Finland. We specialise in supporting multicultural and ethnic minorities' associations as well as associations started by immigrants.

EXAMPLES OF HOW WE CAN HELP

- Founding an association
- Association administration and finances
- Fundraising and funding
- Project planning and management
- Monitoring and evaluation
- Organisation strategy

OUR SERVICES

OUR CONSULTING AND ADVISORY SERVICES provide advice and guidance for various issues related to association activities and civic engagement, ranging from answering individual questions to consulting associations in longer development projects.

OUR TRAINING provide useful knowledge and skills for association activities.

THE ASSOCIATION RESOURCE LIBRARY on our website contains basic information on association activities, both in English and in Finnish.
